Master of Creative Technologies
Study Plan 2025

Below is the outline for a full-time student who will start in Semester 1 2025. Your first semester is made up of core papers. Your second and third semester (one year) is made up of your Thesis.

SEMESTER 1

Course Code	Course Name	Points	Core/Elective
CTEC801	Systems Thinking	15 Points	Core
CTEC806	Post-Material Practices	15 Points	Core
CTEC808	Special Topic A	15 Points	Core
CTEC810	Transdisciplinary Research Methods	15 Points	Core

SEMESTER 2 & 3 (ONE YEAR)

Course Code	Course Name	Points	Core/Elective
CTEC999	Thesis	120 Points	Core

Please note that enrolment into the thesis is subject to achieving a minimum B average across all 60 points of course work courses including CTEC810 and approval of your Postgraduate Research Proposal.
