AUT

Supervisors' Research Areas

Faculty of Health & Environmental Sciences

December 2024

Contents

Dean/Tumuaki	3
Associate Deans	4
School of Clinical Sciences	6
Health and Rehabilitation Research Institute (HRRI) https://hrri.aut.ac.nz/	6
Midwifery	11
National Institute for Stroke and Applied Neurosciences https://nisan.aut.ac.nz/	13
Nursing	14
Occupational Therapy.....	23
Oral Health	26
Paramedicine.....	27
Physiotherapy.....	29
Podiatry	38
Psychotherapy and Counselling	39
Psychology and Neuroscience (incl. Addictions)	42
School of Public Health and Interdisciplinary Studies	50
Digital Health	50
Gambling and Addictions Research Centre.....	51
Interdisciplinary Studies.....	51
Public Health	56
Disaster Risk Management and Development.....	58
Health Law and Healthcare Ethics.....	59
Pacific Islands Families Studies.....	60
Taupua Waiora Research Centre	61
School of Science	63
Environmental Science	63
Biomedicine and Medical Diagnostics	68
Chemistry	71
Food Science and Microbiology.....	73
School of Sport and Recreation	77
Youth Athlete Development (incl Coaching, Health & Physical Education)	77
Physical Activity, Nutrition, and the Outdoors	80
Sport Leadership and Management.....	83
Sport and Exercise Science.....	86
Faculty-wide Supervisors	92

All international PhD candidates will be treated as if they are residents and pay only domestic fees if they are:

1. Enrolled in a PhD programme at a New Zealand university.
2. Resident in New Zealand for the duration of their study

More details about fees can be found on the [AUT website](#).

Full Academic profiles of supervisors are available at <https://academics.aut.ac.nz/>

Dean/Tumuaki

Professor Brett Cowan

Dean/Tumuaki

Faculty of Health & Environmental Sciences

Professor Brett Cowan is the Dean/Tumuaki of the Faculty of Health and Environmental Sciences (HES) and joined the AUT whānau at the beginning of 2024.

Brett joined AUT from the Crown Research Institute, Environmental Science and Research (ESR), where he has served as Chief Scientist and General Manager Research, Head of Commercialisation and Māori Economy.

Prior to this, Brett's career has included various roles as an academic, as a research and administrative leader at the University of Auckland and as an emergency medicine clinician.

Brett has a remarkable career in health, science, leadership, and public service, including:

- In health, training as a doctor and an academic career in health sciences at the University of Auckland, including setting up the internationally recognised Centre for Advanced MRI (CAMRI).

- The successful delivery of Te Tiriti partnerships with iwi, which delivered academic, research and commercial outcomes, and built strong and enduring relationships and collaborations.
- Scientific leadership across diverse roles, including most recently as Chief Scientist and GM Research at ESR (400 scientists and \$130 million revenue), and in New Zealand's scientific response to the COVID-19 pandemic.
- A clinical career as an Emergency Department doctor.
- Leadership in research, science, commercialisation, and impact, which drew together his engineering, medical and business experience, and credentials.

Brett describes himself as having a passion for health and science leadership and innovation and developing high-performing teams to deliver aspirational strategic futures.

Associate Deans

<p>Professor Eleanor Holroyd</p>	<p>Associate Dean – International & Engagement Co-Director – Migrant and Refugee Health Research Centre Professor – Nursing Ph (09) 921 9999 ext. 5298 Email: eleanor.holroyd@aut.ac.nz</p>
	<p>Methodology</p> <ul style="list-style-type: none"> • Mixed methods • Ethnography • Case study • Grounded theory <p>Research Areas</p> <ul style="list-style-type: none"> • Women’s health • Sexual and reproductive health • Migrant and vulnerable populations • Asia and Pacific populations <p><i>Masters and Doctoral supervision availability</i> https://academics.aut.ac.nz/eleanor.holroyd</p>
<p>Professor Nicola Kayes</p>	<p>Associate Dean Research Co-Director, Centre for Person Centred Research Ph (09) 921 9999 ext. 7309 Email: nkayes@aut.ac.nz</p>
	<p>Methodology</p> <ul style="list-style-type: none"> • Mixed methods • Applied qualitative methodologies including Qualitative Descriptive and Interpretive Descriptive • Measurement development • Implementation science methodologies <p>Research Areas</p> <ul style="list-style-type: none"> • The intersection of health psychology and rehabilitation • Exploration of factors influencing adjustment to chronic and long-term conditions and engagement in rehabilitation • Development of interventions targeting such factors • Critical examination and conceptual clarification of core rehabilitation processes – e.g. goal setting, therapeutic connection, engagement • Psychologically informed approaches to enhance rehabilitation outcome • Exploration of the role that allied health professionals have in influencing engagement and strategies to augment practice • Outcome measurement in rehabilitation • Physical activity engagement for people with neurological conditions • Integrating new ways of working into practice <p><i>Can supervise Masters and Doctoral</i> https://academics.aut.ac.nz/nicola.kayes</p>

<p>Associate Professor Nada Signal</p>	<p>Associate Dean of Postgraduate Research Associate Professor – Rehabilitation Ph (09) 921 9999 ext. 7062 Email: nada.signal@aut.ac.nz</p>
